## DISCOVER THAILAND: WHERE ADVENTURE MEETS PARADISE

In the movies *Man with a Golden Gun* and *Tomorrow Never Dies* James Bond battled arch enemies in Thailand, but in real life, this amazing country is known as "The Land of a Thousand Smiles" because of the beauty and friendliness of its people. The two of you will journey to Thailand for 9 exciting nights of fun and relaxation. Upon arrival in Bangkok, you will find the city shimmers with history, pageantry and opportunity. You can explore this cultural goldmine with its ornate shrines, palaces and pagodas that for centuries have been home to kings. On your first tour, you'll enjoy walking around the city and trying the street food in Chinatown. The next day you'll cruise in a traditional Thai longtail boat to the bustling floating market where fruits, flowers and Thai crafts are traded boat to boat. After your three nights in Bangkok, you will be transferred to the airport for your in-country flight to Chiang Mai! While in Chiang Mai you will be immersed in the culture while you dine on Northern Thai delicacies, including sticky rice and various curries at your Kantoke dinner and cultural show. For your final adventures in Chiang Mai, you will explore a traditional village offering a window into rural Thai life and traditions. Finally, you will experience an authentic Thai cooking class.

For your final three nights you are off to breathtaking Phuket. One day, you'll board the sleek speedboat that will whisk you away to the enchanting Phi Phi Island. Revel in the breathtaking sight of Maya Bay from the boat, followed by an opportunity to disembark and take a leisurely walk to admire the iconic Maya Bay, renowned for its starring role in the movie 'The Beach.' The next day, you'll cruise to islands in Phang Nga Bay including the famous James Bond's Island, featured in *Man with the Golden Gun*. Explore Hong Island by sea canoe with your paddle guide, witnessing the awe-inspiring nature of Phang Nga Bay—featuring spectacular limestone rock formations and the excitement of discovering under-sea caves. From touring, to dining, to shopping; this country where East meets West is a mélange of ancient and modern cultures. Your 9-night escape for two to James Bond's Asian Paradise in Thailand includes your accommodations, in-country flights, tours and excursions at each destination, in-country airport transfers, and English-speaking guides. This "Live and Let Thai" experience will hold you spellbound by its unforgettable beauty and leave you with fond memories of the most enchanting adventure of your lives.
